

Due to the COVID – 19 pandemic, our Public Works Department is not responding to appliance service calls or entering customer homes. This includes lighting of pilots. If you smell gas or suspect a natural gas leak please call 911 or our 24 hour emergency line at (530) 257-7236.

Below is a list our local area plumbing and heating contractors and handyman services that may be able to assist you with your appliance service needs. This is intended to be a list of local area businesses that provide in-home appliance services. If we have overlooked your business and you would like your business listed, please contact Susanville Public Works at (530) 251-1041.
