Regular Meeting Minutes
December 5, 2012 – 6:00 p.m.
City Council Chambers 66 North Lassen Street Susanville CA 96130

Meeting was called to order at 6:00 p.m. by Mayor De Boer.

Roll call of Councilmembers present: Cheryl L. McDonald, Nicholas McBride, Lino P. Callegari, Mayor pro tem Wilson and Mayor De Boer.

Staff present: Jared G. Hancock, City Administrator, Peter M. Talia, City Attorney and Gwenna MacDonald, City Clerk.

1 **APPROVAL OF AGENDA**:
Mr. Hancock requested the addition of an oral report regarding the recent flood event under item 13 City Administrator reports. Motion by Councilmember Callegari, second by Mayor pro tem Wilson to approve the agenda with the changes requested; motion carried unanimously.

2 **PUBLIC COMMENT REGARDING CLOSED SESSION ITEMS** (if any): There were no comments from the public.

3 **CLOSED SESSION**: At 6:01 p.m. the Council recessed to closed session to discuss the following:

A CONFERENCE WITH LABOR NEGOTIATOR – pursuant to Government Code §54957.6:
Agency Negotiator: Jared G. Hancock
Bargaining Unit: Administrative/Confidential: 2012/2013
Fire: 2012/2013
Management: 2012/2013
Miscellaneous: 2012/2013
Professional/Technical: 2012/2013
Public Works: 2012/2013
SPOA: 2012/2013

B CONFERENCE WITH LEGAL COUNSEL: Existing litigation pursuant to Government Code Section 54956.9 (a) City v. Reed (Lassen County action number JC56668)

C CONFERENCE WITH LEGAL COUNSEL: Existing litigation pursuant to Government Code Section 54956.9 (a) City v. Judlin (Lassen County action number JC56500)

D CONFERENCE WITH LEGAL COUNSEL: Existing litigation pursuant to Government Code Section 54956.9(a) Ronnie Morales vs City, Lassen County Court Case #55262

E CASE REVIEW OR PLANNING: pursuant to Government Code Section 54957.8

4 **RETURN TO OPEN SESSION**: The City Council reconvened in open session at 7:00 p.m.

Staff present: Craig Platt, Public Works Director; Tom Downing, Police Chief; Lt. Matthew Wood; Ted Friedline, Fire Chief; and Gwenna MacDonald, City Clerk.

Mr. Hancock reported that the agenda was approved with the addition of an oral report, item 13E.

Mr. Hancock reported there was no action to report out of closed session.

Mr. Platt provided the thought for the day.

Laura Roberts, Lassen County Tobacco Use Reduction in partnership with Long Valley Charter, presented awards to the City Council, the Susanville Police Department, and to parks superintendent Darrell Campbell for their effort to improve the health, safety and welfare of the residents and visitors to Susanville. The recognition of effort was due to the passage of an ordinance declaring the annual Safe and Sane Halloween celebration a no-smoking event, as well as imposing a smoking restriction on City Parks. Long Valley Charter students discussed their community clean-up and efforts to educate youth on the dangers of smoking.

Lassen County Veterans Association Officer of the Year Award
Chief Downing introduced Officer Mike Haldane, the recipient of the Lassen County Veterans Association 2012 Officer of the Year award.

Lt. Matthew Wood presented a brief slideshow regarding his successful completion of Sherman Black Leadership Institute training, and thanked the City Council for their support and allowing him the opportunity.

5 **BUSINESS FROM THE FLOOR**:

Mayor pro tem Wilson excused himself from the dais due to a business conflict with Mr. Unterreiner.

Ken Unterreiner thanked Councilmember Callegari, the police and fire department, the City of Susanville, Calfire, and everyone who helped with the flood incident at his property located at 650 Juniper. He stated that the home has been in his wife's family since 1943, and is currently used as a rental. It was flooded on Sunday by the Ramsey irrigation ditch which runs behind the house, and over the last several years there have been other ongoing problems with the ditch. The City worked to install culverts and a French drain, which helped but other issues have continued, and a sinkhole has formed that has been an ongoing problem. He has talked with the Water Master, and the person who leases the water rights, because his homeowners insurance will not pay for the flood since he does not have flood insurance. He asked for the City's help in finding a solution. The issue was referred to staff.

Mayor pro tem Wilson returned to the chambers and assumed his seat on the dais.

Raj Bains spoke to the Council regarding a rubbish nuisance at his neighbor's property. Mr. Bains stated that he has been discussing the problem, which he characterized as ongoing and chronic, for months with the City. The property owner cleans up the mess, but within a few months the garbage accumulates again. He has provided pictures of the condition of the neighbor's house to the City Administrator and City Attorney, and he is disappointed with the progress made by the City to remedy the problem. The back of the house is full of garbage, there is mold growing on the house, abandoned cars, and the property values in the whole neighborhood are suffering because of it. He would like to see a permanent solution to the problem.

The Mayor thanked him for his comments and the issue was referred to staff.

Gary Felt, Lassen Rural Bus, announced the New Years Free Ride Home program, explaining that last year, 80 people were provided rides home that otherwise might have been driving while under the

influence. It was a success, and Lassen Rural Bus will be providing that service again this year. He thanked the City Council for their support.

Jim Chapman, District 3 Supervisor, congratulated staff and thanked them for their well coordinated, proactive effort this weekend to protect the residents from flooding. He shared an anecdote with the Council regarding his recent trip to St. Augustine Florida, remarking that water in Florida tastes terrible compared to the water in Susanville. He thanked the City Council for its dedication to preserving and protecting the quality of water available to city residents and visitors.

6 **CONSENT CALENDAR**: Mayor De Boer reviewed the items on the Consent Calendar:

- A Waive the oral reading and approve minutes from City Council's November 7, 2012 meeting
- B Approve vendor warrants numbered 85849 through 86096 for a total of $700,592.87 including $190,087.74 in payroll warrants
- C Approve **Resolution No. 12-4895** amending appendix of Conflict of Interest code
- D Receive and file Planning Commission minutes:
  August 28, 2012;
  September 25, 2012;
  October 9, 2012
- E Approve **Resolution No. 12-4911** terminating Airport Hangar Space Lease Agreement / Lot #14
- F Approve **Resolution No. 12-4906** authorizing execution of Airport Hangar space lease / Lot #18

Mr. Hancock requested the removal of item 6F for separate discussion.

Mayor De Boer announced that he would abstain from voting on item 6A as he did not attend the meeting.

Motion by Mayor pro tem Wilson, second by Councilmember Callegari to approve Consent Calendar items 6B through 6E; motion carried unanimously.

Motion by Mayor pro tem Wilson, second by Councilmember McDonald to approve item 6A; motion carried with Mayor De Boer abstaining.

Mayor pro tem Wilson requested a separate discussion for item 6F.

Mr. Platt reported that in October, Mr. Evans notified the City that he had been offered $5,000 for the purchase of his hangar on Lot #18. The Airport Commission, at its October 15 meeting, recommended that the City not purchase the hangar as it had been damaged during a wind storm and was in very poor condition. On November 27, Mr. Evans submitted a Bill of Sale confirming that he sold the hangar to Mr. Steve Datema for $5,000. Approval of Resolution No. 12-4906 would execute a new lease with Steve Datema.

Mayor De Boer asked if there were any legal issues that would prevent Mr. Datema purchasing the hangar, and Mr. Talia responded that there were none.

Councilmember Callegari added that the City imposed a restriction that no one can own more than two or three hangars at the airport in order to diversify ownership. He also requested that staff research the issue and report back to the City Council.

Ms. Zahniser, Public Works department, confirmed that this would be the third hangar that Mr. Datema owns.

Motion by Councilmember Callegari, second by Mayor pro tem Wilson to approve Resolution No. 12-4906; motion carried unanimously.

7 **PUBLIC HEARINGS**: No business.

8 **COUNCIL DISCUSSION/ANNOUNCEMENTS**: No business.

9 **NEW BUSINESS**:

9A Consider Appointments to Susanville Airport Commission Mr. Platt reported that two seats were vacant on the Susanville Airport Commission, and after advertising the vacancy, both Commissioners had submitted letters of interest to continue their service. Commissioner Appel and Gauthier would both be appointed to a four year term, to expire November 2016. Pursuant to the Susanville Municipal Code, the Mayor makes the appointment which is then ratified by vote of the City Council.

Motion by Councilmember Callegari, second by Councilmember McDonald to approve the appointment; motion carried unanimously.

9B Consider Ordinance No. 12-0986, amending sections 2.36.020, 2.36.030, 2.36.050, 2.36.080, and 2.36-090 of the Susanville Municipal Code: Waive first reading and introduce Mr. Hancock reported that during the most recent appointment of members to fill two vacancies on the Planning Commission, the City Council directed staff to explore the option of revising the Susanville Municipal Code to allow for the appointment of alternate commissioners who would serve in the absence of the regularly appointed members. Staff has drafted an ordinance that would provide for two alternate commissioners. The term of Commissioner Jambois has expired, and staff has advertised the vacancy per Government Code section 54972, and has received two letters of interest; one from Commissioner Jambois, and one from Vicki Lozano.

At this time, the options available include waiving the first reading and introducing Ordinance No. 12-0986 amending sections of the Susanville Municipal Code; suggest amendments to the draft, or proceed with interviewing both candidates at the next meeting.

Mayor De Boer responded that he would prefer to see Commissioner Jambois reappointed to continue serving, and revising the Municipal Code to allow alternates.

Councilmember Callegari stated that it is hard to encourage participation in city government, and adding alternates for a commission would provide an opportunity for more citizens to participate in the process.

Councilmember McDonald supports the Code revision, adding that having an alternate helps to ensure that meetings have a quorum of members.

Mayor pro tem Wilson commented that he has been a planning commissioner, and he does not see the need to have an alternate, especially if we have not had issues with not having a quorum. He felt it could be a waste of time to attend meetings if there would not be a need to participate.

Motion by Councilmember Callegari to reappoint Commissioner Jambois and move forward with Ordinance 12-0986, second by Councilmember McDonald; motion carried. Wilson: No

9C Consider Resolution No. 12-4812 authoring Mayor to execute Acknowledgment of Ground Lease Assignment from Windjammer Communications LLC to Zito California LLC Mr. Hancock reported that the company of Zito California, LLC has entered into an Asset Purchase Agreement with Windjammer Communications to transfer and assign all assets including the cable television system serving Susanville. As part of this process, the city has received a request from Windjammer to provide consent and authorization of all rights and obligations under our current lease agreement. Zito will assume the ground lease at Inspiration Point which expires July 14, 2013 and staff will be working with Zito to negotiate a new agreement. In addition, the agreement for franchise fees received by the City from Windjammer Communications will automatically transfer to their successor and remains in effect until June 2022. The lease agreement requires City Council authorization.

Motion by Councilmember Callegari, second by Mayor pro tem Wilson to approve Resolution No. 12-4812; motion carried unanimously.

10 SUSANVILLE COMMUNITY DEVELOPMENT AGENCY: No business.

11 SUSANVILLE MUNICIPAL ENERGY CORPORATION: No business.

12 CONTINUING BUSINESS:

12A Consider award of Contract for Environmental Services for Sierra Community Park Project to Hauge Bruek Associates Mr. Hancock reported that the City has received six proposals to provide Environmental Review services for the Sierra Community Park project. The firm of Hauge Bruek provided the most responsive proposal. The City is still waiting for a determination from the State regarding proposed changes to the project scope. If the modifications are approved, it will be critical to begin the environmental study immediately.

Motion by Councilmember Callegari, second by Councilmember McDonald to approve contract for services with Hauge Bruek Associates; motion carried unanimously.

13 CITY ADMINISTRATOR'S REPORTS:

13A Prop. 84 River Parkway Grant Application Mr. Hancock summarized the revised scope of work and project design components that have been developed for the Sierra Community Park project. The official request for revision must be submitted to the State for approval. The plan incorporates key recreation features and sets aside future space to be used for overflow parking and at some point as funds become available could be further developed. The revised design is necessary to enable the City to develop the park within the grant award budget and in addition, various features and components have been broken down to allow the use of in-house resources, inmate and volunteer labor. Staff will bring back the item for further discussion upon receiving notification from the State.

13B Golf Course update Mr. Hancock reported that the golf course was officially closed for the season on November 30th. The season has been successful, and operations at the course have received a lot of support from members of the community. He described the winter golf opportunity which will utilize a payment kiosk located at the door of the clubhouse. Golf carts will not be allowed on the greens and as the weather dictates, there may be periods of closure to prevent damage to the turf. He indicated that he will be bringing cost information back for review at the mid-year budget point.

13C Natural Gas update Mr. Hancock explained that he has been working closely with public works to put numbers together, develop a marketing strategy, and they are still working to gather data. He did not want to bring premature information before the Council, and they have made significant progress. Mr. Platt added that the department has 46 conversions on schedule.

13D Housing Element Draft update Mr. Hancock reported that the options available for updating the Housing Element were a comprehensive update versus clean up. He has had Mr. Craig Sanders working to implement the modifications requested by the State. By doing the work in-house it is estimated to have saved approximately $30,000. Upon receipt of the document, the State will have 60 days to respond. It is an important document that will allow the City to take advantage of various funding opportunities through the State Community Development Block Grant Program.

Mayor pro tem Wilson asked if anything in the Housing Element would support the City's code enforcement efforts.

Mr. Hancock responded that the zoning ordinance is the appropriate place to deal with code enforcement. Recently staff presented information to the Council regarding various options to increase the effectiveness of code enforcement efforts. The City has several properties that present a habitual, recurring nuisance to their neighbors. The majority of people will respond positively to a request from the City to clean up their property, but it is necessary to have something in place to deal with the one percent of residents who are unwilling to maintain their property in a clean, safe and responsible manner. The Housing Element is more of a statutory document regarding housing stock, property inventories, and does not address enforceability or zoning codes.

13E Flood Update Chief Friedline reported that he was very pleased with the coordination of resources and effort during the recent storm. It takes a lot of work to prepare and a lot of people participate in it. He thanked Battalion Chief Moore, Chief Downing, and Mr. Hancock for their hard work and assistance. He stated that it was very nice to see a City Administrator who was not just there, but there with his sleeves rolled up and willing to help. He was designated as the Public Information Officer, and it works best to have all of the information funneled through just one person, and Mr. Hancock did an excellent job in that capacity. He stated that this is the reason it is important to maintain relationships, protect resources, and extended his thanks to the agencies who work in conjunction with the city to protect the community. He thanked the City Council for their support of the departments whose job it is to keep the city safe.

14 <u>COUNCIL ITEMS</u>:

14A AB1234 travel reports: Councilmember McDonald asked if there were a better place for large trucks to wait in town when Highway 395 to Reno was closed to high profile traffic. Currently they park along the side of the road, and that does not seem safe. She suggested the large vacant parking lot across the street from the Hart's café.

Mr. Hancock responded that staff has had many discussions with Caltrans regarding this issue and the Southwest Gateway plan includes an area for trucks to go.

Councilmember McBride thanked City staff and other agencies for working together during the recent storm in order to protect the city from flooding.

Mayor pro tem Wilson added that it was good to see cooperation and proactive work.

Councilmember Callegari stated that the condition of some housing in the community is a real problem. With rental property, the young people who typically occupy those properties aren't taught management skills and how to be responsible. He suggested being proactive by working with the Section 8 housing subsidy program to help foster those skills earlier, before they turn into the neighborhood nuisance.

Mayor De Boer spoke regarding the southwest gateway plan that Mr. Hancock mentioned. He hopes they include accommodations for wheelchair access as currently, there is no safe way for someone in a wheel chair to travel along Main street from the area near Jack in the Box down to McDonalds.

Mr. Hancock responded that the funds available are called transportation enhancement funds and that the City was actively pursuing these funds to improve that area of town. He stated that the availability of subsidized housing as mentioned by Councilmember Callegari are addressed through the housing element. At this time, Lassen County contracts with Plumas County to administer the Section 8 program for Susanville.

15 **ADJOURNMENT:** Motion by Councilmember Callegari, second by Mayor pro tem Wilson to adjourn the meeting; motion carried unanimously.

Meeting adjourned at 8:47 p.m.

SUSANVILLE PUBLIC FINANCING AUTHORITY
Regular Meeting Minutes
December 19, 2012 – 6:00 p.m.
City Council Chambers 66 North Lassen Street Susanville CA 96130

Meeting was called to order at 6:00 p.m. by Mayor De Boer.

Roll call of Councilmembers present: Cheryl L. McDonald, Nicholas McBride, Lino P. Callegari, Mayor pro tem Wilson and Mayor De Boer.

Staff present: Jared G. Hancock, City Administrator, Peter M. Talia, City Attorney and Gwenna MacDonald, City Clerk.

1 **APPROVAL OF AGENDA**:
Mr. Hancock requested an update to *Item 9D Consider approval of accounts receivable write-off and submittal to collection*; Motion by Councilmember Callegari, second by Councilmember McDonald to approve the agenda with the change requested; motion carried unanimously.

2 **PUBLIC COMMENT REGARDING CLOSED SESSION ITEMS** (if any): There were no comments from the public.

3 **CLOSED SESSION**: At 6:01 p.m. the Council recessed to closed session to discuss the following:

A PUBLIC EMPLOYEE PERFORMANCE EVALUATION – pursuant to Government Code §54957: City Administrator

B CONFERENCE WITH LABOR NEGOTIATOR – pursuant to Government Code §54957.6:
Agency Negotiator: Jared G. Hancock
Bargaining Unit: Administrative/Confidential: 2012/2013
Fire: 2012/2013
Management: 2012/2013
Miscellaneous: 2012/2013
Professional/Technical: 2012/2013
Public Works: 2012/2013
SPOA: 2012/2013

C CONFERENCE WITH LEGAL COUNSEL: Existing litigation pursuant to Government Code Section 54956.9 (a) City v. Reed (Lassen County action number JC56668)

D CONFERENCE WITH LEGAL COUNSEL: Potential litigation pursuant to Government Code Section 54956.9(a) Jordan Drury vs. City of Susanville; Claim SCGA-01653A

4 **RETURN TO OPEN SESSION**: At 6:59 p.m. the City Council recessed and reconvened in open session at 7:00 p.m.

Staff present: Craig Platt, Public Works Director; Tom Downing, Police Chief; Ted Friedline, Fire Chief; and Gwenna MacDonald, City Clerk.

Mr. Hancock reported that the agenda was approved with a revision to item 9D.

Mayor De Boer reported the following action out of closed session:

Mr. Hancock received a positive performance evaluation and the Council voted to remove the interim title from his contract and award a merit step increase.

Councilmember Callegari offered a moment of silence in recognition of the victims of the shooting tragedy in Connecticut.

5 **BUSINESS FROM THE FLOOR**: No business.

6 **CONSENT CALENDAR**: Mayor De Boer reviewed the items on the Consent Calendar:

- A Approve vendor warrants numbered 86096 through 86250 for a total of $419,770.33 including $147,507.03 in payroll warrants
- B Receive and File Treasurer's Report: October 2012 and November 2012
- C Receive and File Finance Report: October 2012 and November 2012
- D Approve **Resolution No. 12-4916** authorizing continuing resolution authority to meet payroll for City Employee Bargaining Units through March 1, 2013
- E Approve Automatic and Mutual Aid Agreements with Cal Fire

Motion by Councilmember Callegari, second by Mayor pro tem Wilson to approve the consent calendar; motion carried unanimously.

7 **PUBLIC HEARINGS**:

7A **Consider adoption of Community Development Block Grant Re-Use Plan:**

1 **Public Hearing: Solicit and consider public comment relative to adoption of Program Income Reuse Plan**

2 **Action: Consider Resolution No 12-4917, Approving Program Income Reuse Plan and authorizing submittal to the State Department of Housing and Community Development for approval**

Mr. Hancock reported that the City has received grants through the State of California Community Block Grant program and has used the money to fund various housing and economic development projects throughout the community. The loans are paid back and the income is received by the City and spent by various revolving loan funds which are governed by the Program Income Reuse Plan. Due to several changes in Federal law, the State has implemented a standardized Reuse Plan for cities to adopt at the local level. Any jurisdiction with a reuse plan older than three years is required to update their Plan prior to December 31st. The City has two revolving funds with approved program guidelines to loan the Program Income for CDBG eligible projects; one for home-buyers assistance and one for weatherization. The Program Income Re-use Plan serves as a contract with the State to govern the use of these funds.

Mayor De Boer opened the public hearing at 7:08 p.m. and requested comments from the public regarding the use of program income funds. There being no comments, the public hearing was closed at 7:09 p.m.

Mayor pro tem Wilson verified that the re-use plan was valid for five years. Mr. Hancock responded that it is, and can be modified at any time by following the public participation process.

Motion by Councilmember Callegari, second by Councilmember McDonald to approve Resolution No. 12-4917; motion carried unanimously.

8 **COUNCIL DISCUSSION/ANNOUNCEMENTS**:

Commission/Committee Reports: Mayor pro tem Wilson provided an update regarding the Local Agency Formation Commission meeting, wherein the Commission considered the Susanville Sanitary District Municipal Service Review and Sphere of Influence Update.

9 NEW BUSINESS:

9A Consider Resolution No. 12-4913 approving the Fiscal Year 2014 – 2018 Airport Capital Improvement Plan (ACIP) for the Susanville Municipal Airport Mr. Platt reported that the FAA conducts an annual update of the Airport Capital Improvement Plan (ACIP) and uses the report to identify and prioritize airport capital improvement needs and funding. All proposed projects must comply with the National Environmental Policy Act, be depicted on the City's Airport Layout Plan, and be included in the ACIP submission in order to compete for funding. This necessitates the City identifying all proposed projects for Federal fiscal year 2014 to 2018. The Airport Commission has worked with staff to identify and prioritize projects and estimate cost.

Motion by Councilmember McDonald, second by Councilmember Callegari to approve Resolution No. 12-4913; motion carried unanimously.

9B Consider Resolution No. 12-4915 authorizing $30,250 employee Risk Reduction Incentive Mr. Hancock explained that the City is part of a self insured risk pool through participation in the Small Cities Organized Risk Effort group and from time to time, receives reimbursement which consist of contributions in prior years where the number of insurance and workers compensation claims were fewer than expected. In recognition of city employees' dedication to operating in a safe and conscientious manner that has resulted in reimbursement of funds, the City Council dedicated a portion of the 2011/2012 reimbursement to provide a one-time risk reduction incentive per Resolution No. 11-4811. Mr. Hancock explained that a similar incentive had been proposed for fiscal year 2012/2013, and after discussion with City Council, it was determined that part-time employees would not be included in the incentive. Authorizing Resolution No. 12-4915 would require a revision to reflect that correction.

Motion by Councilmember McDonald, second by Councilmember Callegari to approve Resolution No. 12-4915 with the amendment to restrict the risk reduction incentive to full time employees only; motion carried unanimously.

9C Consider Resolution No. 12-4909 authorizing Mayor to execute Reimbursement Services Agreement with WageWorks, Inc. Mr. Hancock explained that the City established a pre-tax flexible spending plan benefit under IRS Section 125. The City contracted with American Family Life Assurance Company (AFLAC) to administer the plan. AFLAC has recently teamed with WageWorks, Inc. to assume the administration of its flexible spending account plan. Approval of this resolution will authorize the city to transition to the firm of WageWorks, Inc. in March 2013. The cost for participation, five dollars per participant, will remain the same. WageWorks guarantees this plan cost to be effective for three years, and will offer additional features for participants, including the ability to set up a personalized account and monitor program balances online.

Motion by Mayor pro tem Wilson, second by Councilmember McBride to approve Resolution No. 12-4909; motion carried unanimously.

9D Consider approval of accounts receivable write-off and submittal to collections Mr. Hancock explained that the Administrative Services Department is responsible for the collection of revenues that are owed to the City. The City follows a protocol which includes sending delinquency letters, filing small claims orders, and searching through current credit reporting agency resources. At the request of Council, staff has reviewed the procedures and ensured that our processes were consistent with other agencies. The application process has been improved which allows the City to obtain additional information that allows a more effective collection approach. After all reasonable attempts to collect a

debt have been made, a delinquency report is prepared and submitted to the City Council for authorization to submit to collections. The collection agency has additional tools available, and the City receives 60 percent of the amount collected. Historically, the City's uncollectible debt is on average one half of one percent of annual revenue, with the industry average being three to five percent.

Mr. Hancock called attention to updated report information provided under Uncollectible Amounts, which indicates an amount of $41,140.19 to send to collections, and an amount of $18,819.01 to be written off of accounts receivable.

Mayor pro tem Wilson clarified that accounts would only be submitted to collections after city has performed its due diligence in attempting to collect.

Motion by Mayor pro tem Wilson, second by Councilmember Callegari to approve; motion carried unanimously.

10 **SUSANVILLE COMMUNITY DEVELOPMENT AGENCY**: No business.

11 **SUSANVILLE MUNICIPAL ENERGY CORPORATION**: No business.

12 **CONTINUING BUSINESS**:

12A Consider Ordinance No. 12-0987, amending sections 2.36.020, 2.36.030, 2.36.050, 2.36.080, and 2.36-090 of the Susanville Municipal Code: Waive second reading and adopt Mr. Hancock reported that Ordinance No. 12-0987 was introduced to amend sections of the Susanville Municipal Code to revise the membership of the Planning Commission to allow up to two alternate Commissioners to serve in the absence of the regularly appointed Commissioners.

There were no comments or questions from the Council.

Motion by Councilmember McDonald, second by Councilmember McDonald to approve Ordinance No. 12-0987; motion carried. Mayor pro tem Wilson and Councilmember McBride voted No.

13 **CITY ADMINISTRATOR'S REPORTS**:

13A Susanville Municipal Airport Update Mr. Hancock introduced Steven Datema, airport manager, who would provide a power point presentation regarding activity at the Susanville Municipal Airport.

Mr. Datema reported that the Susanville airport has been in existence since the early 1930's, and at one time was an active part of a civilian pilot training program. It is currently one of 250 public use airports in the State of California and according to Caltrans is listed as a regional airport in the Northeast California area. The benefit to the community includes keeping the community connected during natural disasters, air ambulance services, fire fighter staging during wild land fire events, weekly visits from out of area medical specialists, law enforcement, package shipping, and Department of Corrections use. In addition, travel for local businessmen, attorneys, contractors, Angel flights and training opportunities are regular uses of the airport. Mr. Datema explained that in 2007, it was estimated that the economic impact to the community was in excess of eight million dollars. There are many factors which are used to calculate the economic benefit, and given the downturn in the economy over the past five years, it is estimated that the impact would be approximately 60 percent of that original figure.

Mr. Datema discussed capital improvements and the utilization of Federal Aviation Administration (FAA) funding to complete projects. FAA grants will fund 90 percent of a project, with Caltrans providing five percent, and the City matching five percent. The National Plan of Integrated Airport Systems (NPIAS)

identifies airports that are significant to national air transportation and thus eligible to receive Federal grants under the Airport Improvement Program (AIP). The Susanville Municipal Airport is considered a NPIAS airport and is allocated $150,000 per year for eligible projects. The city is able to accrue up to four years of funding, allowing up to $600,000 towards projects. If not used, the funds from first year forward are diverted for use at another airport.

Councilmember Callegari asked if the money could be used to purchase land to expand the airport.

Mr. Datema responded that project approval is cyclical, and what is a priority for funding in some years may not be as competitive in others. Currently it is very difficult to obtain project approval for land purchase and safety is currently a bigger priority than expansion.

Mr. Datema talked about the current condition of the runways and taxiways based upon a pavement condition index utilizing a grading system ranging from Good to Failed. The majority of the runways were built in 1988 and many areas show pavement failure. Over the past 20 years there has been a 52 percent increase in based aircraft, and it is imperative that the city be in a position to take advantage of available funding to complete improvement projects and repairs. He proposed the formation of a committee to develop and prioritize long range improvement plans, funding sources and preserve this resource for the community.

14 COUNCIL ITEMS:
14A AB1234 travel reports: None

Councilmember Callegari discussed ongoing efforts to bring a dialysis facility to Susanville, referring to the important role the airport plays in improving the quality of life for residents by improving opportunities to receive medical care.

15 ADJOURNMENT: Motion by Councilmember McDonald, second by Mayor pro tem Wilson to adjourn the meeting; motion carried unanimously.

Meeting adjourned at 7:55 p.m.

CITY COUNCIL AGENDA ITEM

SUBJECT: **Resolution Number 13-4918** authorizing execution of an Airport Hangar Space Lease Agreement Hangar Owned By City, Lot #14 with Brandon Phillips beginning November 1, 2012 and continuing on a month to month basis until the space lease agreement is updated by City Staff and approved by the City Council.

PRESENTED BY: Craig C. Platt, Public Works Director

SUMMARY: On December 18, 2012, Brandon Phillips came into the Public Works Offices and advised Staff that he had his aircraft in the vacant space in City Hangar #14 since November 1, 2012 with the Airport Manager's approval and that he needed to execute the required Space Lease Agreement. The space lease Agreement has been retroactively dated to November 1, 2012 and will continue on a month to month basis until the space lease Agreement is updated by City Staff and approved by the City Council. The current monthly space rent is $130.00 per month.

FISCAL IMPACT: Revenue of $130.00/month/$1,560.00/year to Account Number 7201-430-81-3620.

ACTION REQUESTED: Motion to adopt Resolution Number 13-4918 authorizing execution of an Airport Hangar Land Lease Agreement Hangar Owned By City, Lot #14 with Brandon Phillips beginning November 1, 2012 and continuing on a month to month basis until the space lease agreement is updated by City Staff and approved by the City Council.

ATTACHMENTS: Resolution Number 13-4918
Airport Hangar Land Lease Agreement Hangar Owned By City, Lot #14

RESOLUTION NO. 13-4918

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUSANVILLE AUTHORIZING EXECUTION OF AN AIRPORT HANGAR SPACE LEASE AGREEMENT HANGAR OWNED BY CITY, LOT #14 WITH BRANDON PHILLIPS BEGINNING NOVEMBER 1, 2012 AND CONTINUING ON A MONTH TO MONTH BASIS

WHEREAS, Brandon Phillips has requested permission to rent a space in the City-Owned hangar on Lot #14 beginning November 1, 2012 for $130.00/month to store his personal aircraft; and

WHEREAS, Brandon Phillips has executed an Airport Hangar Space Lease Agreement Hangar Owned by City, Lot #14 as required.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Susanville authorizes the Mayor and City Clerk to execute an Airport Hangar Space Lease Agreement Hangar Owned by City, Lot #14 with Brandon Phillips beginning November 1, 2012 and continuing on a month to month basis until the space lease has been updated by City Staff and approved by the City Council for $130.00/month.

Peter Talia, City Attorney

AIRPORT HANGAR SPACE LEASE AGREEMENT
HANGAR OWNED BY CITY

THIS LEASE, made this 1st day of November, 2012, between the CITY OF SUSANVILLE, a Municipal Corporation, organized and existing under the laws of the State of California, hereinafter referred to as "Lessor", and Brandon Phillips, of P. O. Box 1101 (1155 Mark St), Susanville 96130, County of Lassen, State of California, hereinafter referred to as "Lessee", on the following terms and conditions:

1. Lessor does hereby lease to Lessee on a month to month basis, to and including DATE OF TERMINATION OF THIS SPACE LEASE BY LESSEE OR LESSOR, space in that certain airport hangar owned by the City of Susanville, (hereinafter referred to as the "leased premises"), located on Lot #6 at the Susanville Municipal Airport, Lassen County, California, said space to be used for one airplane, to wit, Lessee's 1960 Cessna 172A #N6804X (Description of aircraft). The property upon which said airport hangar is situated is legally described as follows:

Lot Numbered 14 as said lot is shown upon that certain map entitled "Record of Survey for the City of Susanville of Susanville Municipal Airport Hangar Lots 13 thru 15," recorded in the Office of the County Recorder of the County of Lassen on January 16, 1973 in Book 9 of Maps on Page 28

at a monthly rental rate of One Hundred Thirty Dollars ($130.00) per month, payable in advance, commencing NOVEMBER 1, 2012, and continuing monthly thereafter until TERMINATION OF SPACE LEASE BY LESSEE OR LESSOR. Lessee is granted the unlimited lawful right of the ingress and egress from the aforesaid airport hangar. Lessor hereby reserves a utility easement, including but not limited to, the right to construct, install,

place and maintain utility lines for all customary utility services under, over, across, and through the leased premises at such locations as Lessor shall require.

2. Lessee shall use the space in the hangar for the storage of the herein described airplane owned or leased by Lessee and shall not use the space for storing any property other than aircraft. Lessee may, however, store nonaircraft personal property in said hangar, provided, however, that Lessee is in fact storing aircraft in the hangar and the storage of the nonaircraft personal property does not interfere with the storage of Lessee's or other tenant's aircraft in the hangar, nor with the ingress and egress of Lessee's or other tenant's aircraft to and from the hangar. Lessee shall not conduct any commercial or business activity on the leased premises without the prior written consent of Lessor.

3. Lessee hereby agrees that Lessee's interest herein is nontransferable, and this lease shall not be assigned by Lessee.

4. This lease does not confer upon the Lessee the right to infringe on any of the commercial or other rights granted to any other person by the City of Susanville, other than the rights hereunder. This lease is not a Fixed Base Operator Agreement.

5. Any holding over by Lessee past the term of this lease agreement shall not be deemed a renewal or extension of the term of this Agreement.

6. Lessee shall keep the airport hangar and property upon which it is situated free and clear of inflammable or combustible vegetation or other combustible materials.

7. Lessee may utilize no more than a 15 feet wide area extending immediately outside the hangar for the parking of authorized vehicles,

but not for storage.

8. Lessee covenants and agrees that in the event facilities are constructed, maintained, or otherwise operated on the said real property described in this lease, for a purpose for which a federal Department of Transportation program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

9. Lessee further agrees and covenants that (1) no person on the grounds of race, color, gender or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such premises and the furnishing of services thereon, no person on the grounds of race, color, gender or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

10. That in the event of breach of the above nondiscrimination covenants, Lessor shall have the right to terminate the Lease and to reenter and repossess said Leased Premises and the facilities thereon, and hold the same as if said Lease had never been made or issued. This paragraph does not become effective until the procedures of 49 CFR Part 21 are followed and completed including expiration of appeal rights.

11. Lessor reserves the right to further develop or improve the landing area of the airport as it sees fit, regardless of the desires or view of the Lessee and without interference or hindrance.

12. Lessor reserves the right, but shall not be obligated to the Lessee, to maintain and keep in repair the landing area of the airport and all publicly-owned facilities of the airport, together with the right to direct and control all activities of the Lessee in this regard.

13. This Lease shall be subordinate to the provisions and requirements of any existing or further agreements between the Lessor and the United States, relative to the development, operation or maintenance of the airport.

14. There is hereby reserved to the Lessor, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the premises herein leased. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from or operation on the Susanville Municipal Airport.

15. Lessee agrees not to make use of the Leased Premises in any

manner which might interfere with the landing and taking off of aircraft from the Susanville Municipal Airport, or that would otherwise constitute a hazard.

16. Lessee shall not (except small quantities for Lessee's personal use only) use, store, or dispose on the leased premises any petroleum products, or any material or substances now or hereafter classified as hazardous or toxic under any federal, state, or local law, ordinance regulation, rule, or order which is now or at any time during the term of this Agreement applicable to the Leased Premises or Lessee's use and occupation thereof. Notwithstanding the foregoing, Lessor acknowledges and agrees that the presence of fuel, oil and grease located within the proper receptacles of any aircraft properly stored on the Leased Premises shall not be considered a violation of this section. Lessee hereby agrees to indemnify and hold Lessor harmless from any and all claims, demands, and causes of action, including costs and attorneys' fees, in connection with the defense of any claim, demand, or cause of action arising out of or resulting from any hazardous, toxic, or petroleum substance, material, or waste, unless caused by the intentional or otherwise tortious acts or omissions of the Lessor. Upon receiving notice of any such claim, demand, or cause of action, Lessee shall, at Lessee's sole cost and expense, immediately cure or commence to cure the problem by taking all action prescribed by applicable federal, state, and local laws, regulations, ordinances, and orders relating to the toxic, hazardous, or petroleum substance, material, or waste, including, but not limited to, the proper removal, disposal, and cleanup thereof.. Lessee's obligation to indemnify Lessor set forth in this paragraph shall survive

the expiration or earlier termination of this Agreement.

17. This Lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire, affecting the control, operation, regulation and taking over of said airport or the exclusive or non-exclusive use of the airport by the United States during the time of war or national emergency.

18. Lessee shall procure and maintain public liability/bodily injury insurance in the sum of $150,000 per person, $250,000 per occurrence, and $100,000 property damage. A certificate of insurance evidencing such coverage shall be filed with the City Clerk of Lessor which shall name Lessor, its offices, agents, and employees as additional insured and guarantee at least ten (10) days advance notice to Lessor, in writing, of any cancellation or reduction of such insurance. Lessor reserves the right to require Lessee to increase said coverage limits should the same become reasonably necessary.

19. A breach by Lessee of any of the terms of this Agreement constitutes a default. In the event of a default, Lessor may at its option terminate Lessee's right to possession of the Leased Premises at any time by any lawful means, including, but not limited to, rights pursuant to California Code of Civil Procedure Section 1159 et seq., as the same may be amended from time to time. No act of Lessor other than by giving written notice to Lessee shall terminate this Agreement. In the event of termination of this Agreement by Lessor, Lessee shall immediately surrender possession of the Leased Premises to Lessor. In the event of termination of this Agreement, Lessor shall be entitled to recover the following amounts from Lessee:

a. The amount of the unpaid rent accrued through the date of termination of this Agreement;

b. The excess of the amount of rent which accrues between the date of termination of the Agreement and the date of the award over the amount of the loss of rent that Lessee proves could have reasonably been avoided;

c. The present value, on the date of the award, of the excess amount of rent which accrues between the date of the award and the expiration of the term of this Agreement over the amount of the loss of rent that Lessee proves could reasonably be avoided, with the present value computed by using an interest rate equal to that which comparable properties earn on the date of the award; and

d. Any other amount, including court costs, reasonable attorneys' fees, and costs of taking possession of and reletting the Leased Premises necessary to compensate Lessor for all detriment proximately caused by Lessee's default.

In addition to the foregoing rights, Lessor shall have all other rights set forth in this Agreement, including but not limited to the right to possession if the hangar space.

20. FAA Grant Assurances: Lessee acknowledges and agrees that Lessor has entered into certain Grant Agreements with the FAA, conditions of which require that all parties leasing property from Lessor agree to be bound by certain sponsor's assurances given by Lessor to the United States Government under the Airport and Airway Improvement Act of 1982, as the same may be amended from time to time. Accordingly, Lessee on behalf of itself, its heirs, personal representatives, successors, and

assigns, as additional consideration or the lease of the Leased Premises from Lessor, does hereby covenant and agree for the term of this Agreement to be bound by the provisions set forth on Exhibit "A" (Sponsors Assurances) attached hereto and incorporated herein by reference.

This Agreement shall be subordinate to the provisions and requirements of any existing or future agreement between Lessor and the United States government or any authorized agency thereof, by which Lessor obtains federally-owned surplus property or federal aid for the development, operation, and/or maintenance of the Airport. In the event that the FAA or any other federal agency requires modifications or changes in this Agreement as a condition for the granting of funds for the improvement of lands and improvements covered by its laws, rules, or regulations, Lessee agrees to consent to the amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions, or requirements of this Agreement, as may be required to obtain such funds except, however, that in no event will Lessee be required, pursuant to this section, to agree to any increase in the rents or fees provided for in this Agreement. In the event Lessee refuses or fails to consent to the amendments, modifications, revisions, supplements, or deletions submitted to Lessee by Lessor pursuant to the provisions of this Section within thirty (30) days after receipt of the documents evidencing the changes, then this Agreement shall be deemed to be amended and/or modified to comply with said changes as though the documents had been signed by all parties.

21. In the event any action, suit or proceeding is brought to

collect the rent, fees, charges, or billings due or to become due hereunder, or any portion thereof, to take possession of the Leased Premises, and/or to enforce compliance with this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs.

22. Lessee shall occupy and use the Leased Premises only for the uses and purposes authorized herein. Lessor's grant of the privileges hereunder are not exclusive and Lessor reserves the right to lease other airport property and other space within the hangar described herein to other individuals and entities for the same uses and privileges granted hereby.

23. The property interest herein granted to Lessee may be subject to property taxation of the possessory interest created thereby, and, if created, Lessor by reason of said possessory interest, may be subject to the payment of property taxes levied on said interest. In the event said taxes are so levied, Lessee shalt be responsible for payment thereof. Lessee shall pay promptly all lawful taxes and assessments which may be levied by any federal, state, county, city or other tax levying body of any taxable interest of Lessee hereunder, whether on real or personal property of Lessee.

24. The terms hereof shall be binding on the heirs, administrators, successors and assigns of the parties hereto.

IN WITNESS WHEREOF, the said Lessor has caused this Lease to be executed by the Mayor and the Clerk, and the said Lessee has executed this Lease the day and year first above written.

CITY OF SUSANVILLE, LESSOR

ROD E. DE BOER, MAYOR

ATTEST:

GWENNA MACDONALD, City Clerk

LESSEE:

NAME: Brandon Phillips

City Attorney

PART V **EXHIBIT A**

ASSURANCES

Airport and Planning Agency Sponsors

A. General

1. These assurances shall be complied with in the performance of the following grant agreements:

   a. Airport development, airport planning, and noise program implementation grants to airport sponsors.

   b. Integrated airport system planning grants to planning agencies.

2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of the Airport and Airway Improvement Act of 1982 as amended by the Airport and Airway Safety and Capacity Expansion Act of 1987, or the Aviation Safety and Noise Abatement Act of 1979. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport and the term "sponsor" includes public agency sponsors and private sponsors.

3. These assurances also are required to be submitted as part of the project application by a sponsor which is both a public agency and a planning agency requesting funds for integrated airport system planning under the provisions of the Airport and Airway Improvement Act of 1982, as amended.

4. Upon acceptance of the grant offer by the sponsor, these assurances are incorporated in and become part of the grant agreement.

B. Duration and Applicability

1. Airport Development or Noise Program Implementation Projects Undertaken by a Public Agency Sponsor. The terms, conditions and assurances of the grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise program implementation project, or throughout the useful life of the project items installed within a facility under a noise program implementation project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the

duration of the assurance against exclusive rights or the terms, conditions, and assurances with respect to real property acquired with Federal funds. Furthermore, the duration of the Civil Rights assurance shall be as specified in the assurance.

2. Airport Development or Noise Program Implementation Projects Undertaken by a Private Sponsor. The preceding Paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of facilities developed or equipment acquired under an airport development or noise program implementation project shall be no less than ten (10) years from the date of the acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor. Unless otherwise specified in the grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 30, 32, 33, and 34 in Section C apply to planning projects. The terms, conditions and assurances of the grant agreement shall remain in full force and effect during the life of the project.

C. Sponsor Certification. The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements: It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines and requirements as they relate to the application, acceptance and use of Federal funds for this project including but not limited to the following:

Federal Legislation

a. Federal Aviation Act of 1958 - 49 U.S.C. 1301, et seq.
b. Davis-Bacon Act - 40 U.S.C. 276(a), et seq. 1/
c. Federal Fair Labor Standards Act - 29 U.S.C. 201, et seq.
d. Hatch Act - 5 U.S.C. 1501, et seq. 2/
e. Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 - 42 U.S.C. 4601, et seq. 1/ 2/
f. National Historic Preservation Act of 1966 - Section 106 - 16 U.S.C. 470(f). 1/
g. Archeological and Historic Preservation Act of 1974 - 16 U.S.C. 469 through 469C
h. Flood Disaster Protection Act of 1973 - Section 102(a) - 42 U.S.C. 4012a. 1/
i. Rehabilitation Act of 1973 - 29 U.S.C. 794
j. Civil Rights Act of 1964 - Title VI - 42 U.S.C.

2000d through d-4.

k. Aviation Safety and Noise Abatement Act of 1979, 49 U.S.C. 2101, et seq.

l. Age Discrimination Act of 1975 - 42 U.S.C. 6101, et seq.

m. Architectural Barriers Act of 1968 - 42 U.S.C. 4151, et seq. 1/

n. Airport and Airway Improvement Act of 1982, as amended 49 U.S.C. 2201, et seq.

o. Powerplant and Industrial Fuel Use Act of 1978 - Section 403 -42 U.S.C. 8373. 1/

p. Contract Work Hours and Safety Standards Act - 40 U.S.C. 327, et seq. 1/

q. Copeland Antikickback Act - 18 U.S.C. 874 1/

r. National Environmental Policy Act of 1969 - 42 U.S.C. 4321, et seq. 1/

Executive Orders

Executive Order 12372 - Intergovernmental Review of Federal Programs

Executive Order 11246 - Equal Employment Opportunity

Federal Regulations

a. 49 CFR Part 21 - Nondiscrimination in Federally-Assisted Programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964.

b. 49 CFR Part 23 - Participation by Minority Business Enterprise in Department of Transportation Programs.

c. 49 CFR Part 24 - Uniform Relocation and Real Property Acquisition for Federal and Federally Assisted Programs.

d. 49 CFR Part 27 - Non-Discrimination on the Basis of Handicap in Programs and Activities Receiving or Benefitting from Federal Financial Assistance.

e. 49 CFR Part 29 - Debarments, Suspensions, and Voluntary Exclusions.

f. 29 CFR Part 1 - Procedures for Predetermination of Wage Rates.

g. 29 CFR Part 3 - Contractors or Subcontractors on Public Buildings or Public Works Financed in Whole or Part by Loans or Grants from U.S.

h. 29 CFR Part 5 - Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction.

i. 41 CFR Part 60 - Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor (Federal and Federally-assisted Contracting Requirements).

j. 14 CFR Part 150 - Airport Noise Compatibility Planning.

1/ These laws do not apply to planning projects.

2/ These laws do not apply to private sponsors.

Office of Management and Budget Circulars

a. A-87 - Cost Principles Applicable to Grants and Contracts with State and Local Governments.*

b. A-102 - Uniform Requirements for Assistance to State and Local Governments.*

c. A-128 - Audits of State and Local Governments.

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in the grant agreement.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor: It has legal authority to apply for the grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor: It has legal authority to apply for the grant and to finance and carry out the proposed project

and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative, and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with the application; and to provide such additional information as may be required.

3. Sponsor Fund Availability. It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under the grant agreement which it will own or control.

4. Good Title. It holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.

* OMB Circulars A-87 and A-102 contain requirements for state and local governments receiving Federal assistance. Any requirement levied upon state and local governments by those two circulars shall also be applicable to private sponsors receiving Federal assistance under the Airport and Airway Improvement Act of 1982, as amended.

For noise program implementation projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in the grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

b. It will not sell, lease, encumber or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise program implementation project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in the grant agreement without approval by the

Secretary. If the transferee is found by the Secretary to be eligible under the Airport and Airway Improvement Act of 1982 to assume the obligations of the grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee, all of the terms, conditions and assurances contained in this grant agreement.

c. For all noise program implementation projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise program implementation project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

d. For noise program implementation projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.

e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.

f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance with the Airport and Airway Improvement Act of 1982, the regulations and the terms, conditions and assurances in the grant agreement and shall insure that such arrangement also requires compliance therewith.

6. Consistency with Local Plans. The project is reasonably consistent with plans (existing at the time of submission of

this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport. For noise program implementation projects, other than land acquisition, to be carried out on property not owned by the airport and over which property another public agency has land use control or authority, the sponsor shall obtain from each such agency a written declaration that such agency supports that project and the project is reasonably consistent with the agency's plans regarding the property

7. Consideration of Local Interest. It has given fair consideration to the interest of communities in or near which the project may be located.

8. Consultation with Users. In making a decision to undertake any airport development project under the Airport and Airway Improvement Act of 1982, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings. In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community. It shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary.

10. Air and Water Quality Standards. In projects involving airport location, a major runway extension, or runway location it will provide for the Governor of the state in which the project is located to certify in writing to the Secretary that the project will be located, designed, constructed, and operated so as to comply with applicable air and water quality standards. In any case where such standards have not been approved and where applicable air and water quality standards have been promulgated by the Administrator of the Environmental Protection Agency, certification shall be obtained from such Administrator. Notice of certification or refusal to certify shall be provided within sixty (60) days after the project application has been received by the Secretary.

11. Local Approval. In projects involving the construction or extension of any runway at any general aviation airport located astride a line separating two (2) counties within a single state, it has received approval for the project from the governing body of all villages incorporated under the laws

of that state which are located entirely within five (5) miles of the nearest boundary of the airport.

12. Terminal Development Prerequisites. For projects which include terminal development at a public airport, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under Section 612 of the Federal Aviation Act of 1958 and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning or deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Recordkeeping Requirements.

a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of the grant, the total cost of the project in connection with which the grant is given or used, and the amount and nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.

b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to the grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which the grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates. It shall include, in all contracts in excess of $2,000 for work on any projects funded under the grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a - 276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veterans Preference. It shall include, in all contracts for work on any projects funded under the grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to veterans of the Vietnam era and disabled veterans as defined in Section 515(c)(1) and (2) of the Airport and Airway Improvement Act of 1982. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications. It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and upon approval by the Secretary, shall be incorporated into this grant agreement. Any modifications to the approved plans, specifications, and schedules shall also be subject to approval by the Secretary and incorporation into the grant agreement.

17. Construction Inspection and Approval. It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms with the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects. In carrying out planning projects:
    a. It will execute the project in accordance with the approved program narrative contained in the project application or with modifications similarly approved.

    b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.

    c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.

    d. It will make such material available for examination by

the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.

e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.

f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.

g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.

h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

a. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for nonaeronautical purposes must first be approved by the Secretary. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes.

In furtherance of this assurance, the sponsor will have in effect at all times arrangements for:

(1) Operating the airport's aeronautical facilities whenever required; and

(2) Promptly marking and lighting hazards resulting from airport conditions, including temporary

conditions; and

(3) Promptly notifying airmen of any condition affecting aeronautical use of this airport.

Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

b. It will suitably operate and maintain noise program implementation items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation. It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use. It will take appropriate action, including the adoption of zoning laws, to the extent reasonable, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce the compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

a. It will make its airport available as an airport for public use on fair and reasonable terms and without unjust discrimination, to all types, kinds, and classes of aeronautical uses.

b. In any agreement, contract, lease or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will

insert and enforce provisions requiring the contractor

(1) to furnish said services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and

(2) to charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided, that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

c. Each fixed-based operator at any airport owned by the sponsor shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.

d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.

e. Each air carrier using such airport (whether as a tenant, nontenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to transportation as are applicable to all such air carriers which make similar use of such airport and which utilize similar facilities, subject to reasonable classifications such as tenants or nontenants and signatory carriers and nonsignatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classifications or status.

f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.

g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by

contractors or concessionaires of the sponsor under these provision.

h. The sponsor may establish such fair, equal, and not unjustly discriminatory conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.

i. The sponsor may prohibit or limit any given type, kind, or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights. It will permit no exclusive right for the use of the airport by any persons providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply: (1) It would be unreasonably costly, burdensome, or impractical for more than one (1) fixed-based operator to provide such services, and (2) If allowing more than one (1) fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport.

It further agrees that it will not, either directly or indirectly, grant or permit any person, firm or corporation the exclusive right at the airport, or at any other airport now owned or controlled by it, to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under the Airport and Airway Improvement Act of 1982.

24. Fee and Rental Structure. It will maintain a fee and rental structure consistent with Assurances 22 and 23, for the facilities and services being provided to the airport users which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and

economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate base in establishing fees, rates, and charges for users of that airport.

25. Airport Revenue. If the airport is under the control of a public agency, all revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. Provided, however, that if covenants or assurances in debt obligations issued before September 3, 1982 by the owner or operator of the airport, or provisions enacted before September 3, 1982 in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.

26. Reports and Inspections. It will submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request. For airport development projects, it will also make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreement, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request. For noise program implementation projects, it will also make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of the grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request.

27. Use of Government Aircraft. It will make available all of the facilities of the airport developed with Federal financial assistance and all those useable for landing and takeoff of aircraft to the United States for use by government aircraft in common with other aircraft at all times without charge, except, if the use by government aircraft is substantial, charge may be made for a reasonable share, proportional to

such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that:

a. Five (5) or more government aircraft are regularly based at the airport or on land adjacent thereto; or

b. The total number of movements (counting each landing as a movement) of government aircraft is three hundred (300) or more, or the gross accumulative weight of government aircraft using the airport (the total movements of government aircraft multiplied by gross weights of such aircraft) is in excess of five million (5,000,000) pounds.

28. Land for Federal Facilities. It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four (4) months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

a. It will keep up to date at all times an airport layout plan of the airport showing (1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon. Such airport layout plan and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The

Sponsor will not make or permit any changes or alteration in the airport or in any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in he opinion of the Secretary, adversely affect the safety, utility, or efficiency of the airport.

b. If a change or alteration in the airport or its facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities.

30. Civil Rights. It will comply with such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefitting from funds received from this grant. This assurance obligates the sponsor for the period during which Federal financial assistance is extended to the program, except where Federal financial assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon, in which case the assurance obligates the sponsor or any transferee for the longer of the following periods: (a) the period during which the property is used for a purpose for which Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits or (b) the period during which the sponsor retains ownership or possession of the property.

31. Disposal of Land.

a. For land purchased under grant before, on, after December 30, 1987 for airport noise compatibility purposes, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States share of acquisition of such lane will, at the discretion of the Secretary, 1) be paid to the Secretary for deposit in the Trust Fund or 2) be reinvested in an

approved noise compatibility project as prescribed by the Secretary.

b. For land purchased for airport purposes (other than noise compatibility) under grant before, on, or after December 30, 1987, it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value. That portion of the proceeds of such disposition, which is proportionate to the United States share of the cost of acquisition of such land will be paid to the Secretary for deposit in the Trust Fund.

c. Disposition of such land under a. and b. above will be subject to the retention or reservation on any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with the operation of the airport.

32. Engineering and Design Services. It will award each contract, or subcontract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping, or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions. It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

CITY COUNCIL AGENDA ITEM

PRESENTED BY: Theodore Friedline, Fire Chief

SUMMARY: Cancel Agreement for Temporary Transfer of Vehicular Equipment with Cal EMA

SUBJECT: City of Susanville Resolution 10-4691 accepted transfer of a Cal EMA Type-2 Urban Search and Rescue Trailer and Associated Equipment Cache on October 20, 2010. In the agreement between the City and Cal EMA, item 4 discusses staffing and item 5 discusses personnel minimum training.

Staffing required for deployment of the unit is six trained personnel and an additional six trained personnel after 14 days. During the construction phase of the unit, verbal agreements were made between Chief Ratner and other agencies, including Chico Fire and Sierra Army Depot Fire Departments, to assist fulfilling CAL EMA staffing requirements. These agreements were verbal with Chiefs which have now retired, and current Chiefs are not aware of the agreements

Personnel training requires approximately six weeks in Oroville to meet minimum requirements, in addition to costs. During the construction phase of the unit, Cal EMA planned on grant funds to assist with costs, and was depending on a local training facility to be constructed, to State requirements, in order to meet minimum training needs. The grant funds did not appear, and a local training facility is not feasible.

Staff has discussed the staffing and training issues with Cal EMA, and it is agreed that the rescue unit would better serve its purpose in a different location of Northern California. Therefore, staff will draft a letter for return of the unit to Cal EMA.

FISCAL IMPACT: None

ACTION REQUESTED: Direct staff to facilitate return of trailer

RESOLUTION NO. 10-4691
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUSANVILLE APPROVING AND AUTHORIZING MAYOR TO EXECUTE THE ASSIGNMENT OF EQUIPMENT AND AGREEMENT FOR TEMPORARY TRANSFER OF VEHICULAR EQUIPMENT AND RESCINDING RESOLUTION NO. 09-4542

WHEREAS, the City Council of the City of Susanville Fire Department has been awarded an Urban Search and Rescue trailer by the State of California Emergency Management Agency; and

WHEREAS, the State of California recognizes the need for the Susanville Fire Department to have a US&R trailer, Cal EMA #RT-15; and

WHEREAS, the Susanville Fire Department has a need for a Cal EMA trailer to provide mutual aid within the State of California; and

WHEREAS, the City being authorized to approve agreements; and

WHEREAS, the City Council acknowledges that a new Cal EMA trailer will be a valuable addition to the Fire Department; and

WHEREAS, the City Council adopted Resolution No. 09-4542 on August 5, 2009 approving and authorizing the assignment and temporary transfer of equipment; and

WHEREAS, the license plate number for said equipment has been changed, thus requiring the execution of a current lease with the correct license plate numbers;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Susanville approving and authorizing Mayor to execute the Assignment of Equipment Form and Agreement for Temporary Transfer of Vehicular Equipment Form, rescinding Resolution No. 09-4542.

CALIFORNIA EMERGENCY MANAGEMENT AGENCY
Fire and Rescue Branch

AGREEMENT FOR TEMPORARY TRANSFER OF VEHICULAR EQUIPMENT

THIS AGREEMENT, entered into this 1st day of October, 2010, by and between the **STATE OF CALIFORNIA** acting by and between its duly appointed, qualified and acting Secretary of the California Emergency Management Agency, hereinafter called the **"STATE,"** and the City of Susanville Fire Department , acting by and through its duly appointed, qualified and acting officers, hereinafter called **"ASSIGNEE",**

W I T N E S S E T H:

IT IS HEREBY MUTUALLY AGREED between the parties hereto as follows:

1. The **STATE** hereby transfers possession to **ASSIGNEE** and **ASSIGNEE** hereby accepts possession from **STATE** of the *Cal EMA Type-2 Urban Search & Rescue Trailer and Associated Equipment Cache* listed on the attached titled Exhibit "A" which is by this reference made a part hereof, for the period commencing September 3, 2010, for the following all-risk events, emergency incidents, civil defense and disaster purposes, namely:

a. Local and /or mutual aid emergency incidents involving Urban Search & Rescue due to natural or man-caused events
b. Emergency incidents threatening properties vital to national defense or important military installations
c. Parades and displays
d. Training of regular, volunteer and auxiliary firefighters
e. Temporary standby for assignee's rescue capability or for the rescue capability of other departments while the assignee's or other department's equipment is out of service for repairs.

a. Trailer Description: 22' Charmac Dual Axle Trailer
Trailer License Number: 1322026
Trailer Identification Number: 4RYC222098T111106
Trailer Value: $66,805.00
Type-2 US&R Equipment Cache Value: $42,561.86

b. Equipment inventories (Exhibit "A") may by mutual concurrence of the **STATE** and **ASSIGNEE** be changed during the term of this agreement, utilizing property accountability procedures established or approved by the State. **ASSIGNEE** agrees to furnish equipment listed on inventories under PPE, Communication, and Detection (Radiological).

2. Housing, Maintenance, Repair and Replacement. During the term of this transfer, **ASSIGNEE** agrees to adequately house in an enclosed secure structure, staff, operate, maintain and repair (consistent with section 2 b.) said *Cal EMA Type-2 Urban Search & Rescue Trailer and Associated Equipment Cache* (hereinafter collectively referred to as "The Type-2 US&R Equipment Cache" except where it is desired to refer to equipment items alone, in which case the term "equipment" is used) at its sole cost and expense, save as otherwise expressly provided in

this agreement. The Type-2 US&R Equipment Cache shall be housed on property of the **ASSIGNEE** in a manner to provide reasonable protection against inclement weather, sabotage, theft or malicious damage. The Type-2 US&R Equipment Cache shall be maintained in such condition that it is available for immediate emergency use, and at the same standard as other emergency apparatus operated by **ASSIGNEE.** Maintenance shall include care of batteries, tires, appliances, lubrication and fuel, general cleaning and polishing, minor repairs and periodic testing. Repairs shall include, without being limited to, motor tune-ups, and all equipment assigned to the Type-2 US&R Equipment Cache and so forth.

a. Repairs and replacement of equipment shall be the responsibility of **ASSIGNEE.**

b. Repair or replacement of the "equipment" transferred hereunder which is consumed, lost, stolen, damaged or destroyed during mutual aid operations when **STATE** has mission tasked or directed the mission task of said Type-2 US&R Equipment Cache through Regional or Operational Area Fire and Rescue Coordinators, or when **STATE** has reassigned said Type-2 US&R Equipment Cache pursuant to the provisions of paragraph 10 of this agreement, shall be the responsibility of **STATE,** providing that any such loss or damage is due to the negligence of **ASSIGNEE** under such circumstances, **ASSIGNEE** shall be liable therefore to the extent that the **STATE** deems equitable. **ASSIGNEE** agrees that it will assume responsibility in full for the repair or replacement of equipment which has been consumed, lost, stolen, damaged or destroyed in operations other than referred to in this paragraph.

a. All equipment must remain on the trailer and in the location on the trailer as it was delivered to and assigned to **ASSIGNEE.** The legal GVWR is 9,999 pounds. This GVWR must never be exceeded. The placement of equipment mounted on or in the trailer must NOT be changed. The **ASSIGNEE** shall be liable therefore to the extent for all damages if the GVWR is exceeded and damage results from an accident or overloading.

3. Inspection of Type-2 US&R Equipment Cache. **ASSIGNEE** agrees that representatives of the California Emergency Management Agency, Fire & Rescue Branch and other authorized State personnel may inspect the Type-2 US&R Equipment Cache at any time.

4. Staffing. Reasonable and continual training shall be carried on so that trained personnel shall at all times be available to staff and operate said Type-2 US&R Equipment Cache. The **ASSIGNEE** shall provide personnel to staff the assigned Type-2 US&R Equipment Cache per FIRESCOPE ICS standards. The Cal EMA Type-2 US&R Equipment Cache may be assigned to out of area assignments for up to 14 days, plus travel time. When local government personnel, staffing Cal EMA Type-2 US&R Equipment Cache, are committed to extended assignments there may be a need to replace or rotate personnel. Personnel rotation will follow the direction outlined in the California Fire Assistance Agreement when assigned to an incident within California.

5. Training. Personnel assigned shall meet FIRESCOPE ICS-USR-120-1 Urban Search & Rescue Operational System Description. Personnel assigned to a Cal EMA Type-2 US&R Trailer Equipment Cache shall meet Rescue System I, Rescue Systems II, Trench Rescue, Confined Space Awareness, Hazardous Materials Operational, and Basic Life Support First Aid as certified by the California State Fire Marshal, or have completed an equivalent course that meets or exceeds those courses identified in paragraph 5.

6. Deployment. All movement of the Type-2 US&R Equipment Cache shall be handled through the official dispatching channels of **ASSIGNEE.** **ASSIGNEE** dispatchers will recognize and act on all official requests for deployment of the Type-2 US&R Equipment Cache in conformance with the Fire and Rescue Annex (California Fire & Rescue Mutual Aid System) to the State Emergency Plan and its subsequent revisions. **STATE** reserves the right to deploy, direct the deployment of, or temporarily reassign the said Type-2 US&R Equipment Cache whenever, in the opinion of the Secretary of the California Emergency Management Agency, his/her representatives or Operational Area and Regional Fire and Rescue Coordinators, such Type-2 US&R Equipment Cache is essential to the protection of life and property in another jurisdiction or in the best interest of the **STATE**.

7. Tow Vehicle. **ASSIGNEE** agrees to provide a tow vehicle of sufficient capacity and Gross Vehicle Weight (GVW) expressly for the purpose of ensuring that the Type-2 US&R Equipment Cache can be deployed in accordance with the provisions of article 6 above.

8. Mutual Aid Response. Procedures for mutual aid response shall be in accordance with California Fire Service and Rescue Emergency Mutual Aid Plan.

9. Reimbursable Response. Reimbursement for mutual aid may be provided pursuant to a Governor's disaster proclamation or when conditions warrant invoking the California Fire Assistance Agreement, the Emergency Management Assistance Compact, the State of Nevada Cooperative Agreement, or the Interstate Compact as appropriate. There is no other existing provision for mutual aid reimbursement.

10. Reports and Records. **ASSIGNEE** shall maintain daily and monthly reports on the details of Type-2 US&R Equipment Cache. Written records shall be kept maintained current for all rope. Webbing and rope assigned with the Type-2 US&R Equipment Cache shall be inspected annually or after each use whichever comes first. Written results of all tests and reports shall be forwarded to the California Emergency Management Agency, Fire & Rescue Branch, by the end of the calendar year. A recent copy of the tests and reports shall be maintained the Type-2 US&R Equipment Cache.

11. Report of Accidents. **ASSIGNEE** shall immediately notify Cal EMA Fire and Rescue Branch following any and all accidents involving the Type-2 US&R Equipment Cache within 4 hours from time of said accident. It shall be the responsibility of **ASSIGNEE** to fill out State Form 270, "Report of Automobile Accident," and file the report with the California Emergency Management Agency, Fire and Rescue Branch. A copy of this report shall be retained by the **ASSIGNEE** and the original and four copies forwarded to the California Emergency Management Agency, Fire and Rescue Branch.

12. Insurance Protection. (Non- State Agencies)

a. **ASSIGNEE** agrees forthwith to furnish evidence of insurance protecting the legal liability of the **ASSIGNEE** and the **STATE** for liability and/or property damage with a combined single limit of $1,000,000.00 per occurrence, by means of a Certificate of Insurance naming State of California as Additional Insured. Said certificate shall contain an agreement by the insurance company that it will not cancel said policy without 15 days prior written notice to the **STATE** and that the **STATE** is not liable for the payment of any premiums or assessments thereon. Said certificate must include the description of the Type-2 US&R Equipment Cache including identification numbers, state license number and Cal EMA unit number.

b. In the event the **ASSIGNEE** is self-insured, **ASSIGNEE** in lieu of a certificate of insurance shall furnish the **STATE** a written statement of such fact. In such event **ASSIGNEE** agrees to hold the **STATE** harmless from any personal injury or property damage claims arising out of its maintenance, use or operation of the Type-2 US&R Equipment Cache under the terms of this agreement.

c. Physical damage insurance, including collision coverage and comprehensive coverage, shall be obtained. The **STATE** will be named as a loss payee. The description of the Type-2 US&R Equipment Cache and the necessary amount of insurance required is outlined in attached Exhibit "B" which is by this reference made a part hereof.

13. Insurance Protection. (State Agencies) Any insurance necessary for coverage of the Type-2 US&R Equipment Cache shall be the sole responsibility of the department having custody of the Type-2 US&R Equipment Cache. **ASSIGNEE** agrees to report Type-2 US&R Equipment Cache as being under its control to the Insurance Officer, Department of General Services.

14. Termination of Agreement.

a. Either party may terminate this agreement upon 14 days written notice to other party, or **ASSIGNEE** may relinquish or **STATE** may repossess any portion of the Type-2 US&R Equipment Cache upon like notice to the other party, except that **STATE** may repossess any portion thereof without written notice whenever it deems the same is not being maintained in accordance with this agreement.

b. Upon the termination of this agreement, **ASSIGNEE** agrees to return said Type-2 US&R Equipment Cache in the same condition as received, reasonable wear and tear, acts of God, and conditions over which he/she has no control excepted.

c. As inventory changes occur, or items of equipment are replaced, deleted or added by the **STATE** or replaced by **ASSIGNEE**, it is mutually agreed that no amendment to this agreement need be made at the time of the change; provided however, at the termination of this agreement a complete reconciliation of all equipment will be made. **ASSIGNEE** further agrees that all replacements for equipment of Type-2 US&R Equipment Cache will be made with identical or substantially like items as approved by the **STATE**.

d. Nothing in this agreement shall be construed to create a new property interest or right of action for the **ASSIGNEE**

15. Unauthorized Use of Cal EMA Type-2 US&R Equipment Cache. Use of this Type-2 US&R Equipment Cache other than as specified in paragraph 1 will be considered a breach of this agreement and shall result in repossession of the Type-2 US&R Equipment Cache by the **STATE** without prior notification provided to the **ASSIGNEE.**

16. All notices herein provided to be given, or which may be given by either party to the other shall be deemed to have been fully given when made in writing and deposited in the U.S. mail, registered and postage prepaid and addressed as follows: To the **ASSIGNEE** at City of Susanville Fire Department, 1505 Main Street, Susanville, CA, 96130, and to the **STATE** at California Emergency Management Agency, Fire & Rescue Branch, 3650 Schriever Ave, Mather, CA, 95655. The address to which notices shall or may be mailed as aforesaid to either party shall or may be changed by written notice given by such party to the other, as hereinabove provided; but nothing herein contained shall preclude the giving of any such notice by personal service.

17. It is mutually understood and agreed that no alteration or variation of the terms of this agreement shall be valid unless made in writing and signed by the parties hereto, and that no oral understanding or agreements not incorporated herein, and no alterations or variations of the terms hereof unless made in writing between the parties hereto shall be binding on any of the parties hereto.

18. The **STATE** may in its sole discretion and for such good cause as it determines waive in writing in whole or in part any requirement of this agreement Type-2 US&R Equipment Cache shall be maintained in operating condition, or repaired, or replaced, providing that any such waiver shall be applicable only to the specific Type-2 US&R Equipment Cache to which it refers.

IN WITNESS WHEREOF the parties hereto have executed this agreement upon the date first above written.

INSURANCE REQUIREMENTS

Part of the agreement through which the State makes a temporary transfer of Type-2 US&R Equipment Cache is the agreement on the part of the ***ASSIGNEE*** *to furnish certain evidence of insurance. Your organization, as an* ***ASSIGNEE*** *of the Type-2 US&R Equipment Cache, will want to be mindful of these requirements and assure they are complied with.*

Liability Insurance

A certificate of insurance shall be furnished to the State providing minimum limits of insurance as follows:

BODILY INJURY and PROPERTY DAMAGE LIABILITY $1,000,000.00 PER OCCURANCE

A certificate of insurance will have the following provisions included:

1. *The State of California shall be named Additional Insured.*

2. *The insurance company shall agree that in the event of cancellation, 15 days prior written notice will be given to the State.*

3. *The State shall not be responsible for premium or assessments.*

4. *Certificate of Insurance must include the description of the Type-2 US&R Equipment Cache including identification numbers, State license number and Cal EMA unit number.*

Physical Damage Insurance

The transfer agreements place certain responsibilities upon your organization for the safekeeping of the Type-2 US&R Equipment Cache. The State will look to your organization for reimbursement for repair or replacement cost in the event the Type-2 US&R Equipment Cache is damaged by misuse or negligence or by other causes, except normal wear and tear, acts of God and conditions over which your organization has no control.

Physical damage insurance, including collision coverage and comprehensive coverage or combined additional coverage, SHOULD be obtained. The State of California should be named as a loss payee. The description of the vehicle and the necessary amount of insurance is as follows:

Description of Type-2 US&R Trailer & Equipment Cache

TRAILER	***VALUE***

CITY COUNCIL AGENDA ITEM

SUBJECT: Authorization for City Administrator and Fire Chief to sign Mutual Aid Agreement (MAA) Fire between High Desert State Prison and/or The California Correctional Center and the Susanville Fire Department

SUMMARY: During large incidents and disasters, a single agency may not have sufficient resources to effectively manage an incident. At these times it is necessary to request resources from other agencies to better protect the public.

The California Department of Corrections and Rehabilitation is requesting an agreement to provide mutual aid fire protection services between the Fire Department and High Desert State Prison and/or California Correctional Center. Staff feels this would be beneficial to both agencies.

FISCAL IMPACT: None

ACTION REQUESTED: Motion authorizing City Administrator and Fire Chief to sign Mutual Aid Agreement (M) Fire between High Desert State Prison and/or The California Correctional Center and the Susanville Fire Department.

ATTACHMENTS:

- Mutual Aid Agreement (MAA) Fire between High Desert State Prison and/or The California Correctional Center and the Susanville Fire Department

THE CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION

MUTUAL AID AGREEMENT (MAA) FIRE

BETWEEN
HIGH DESERT STATE PRISON AND/OR THE CALIFORNIA CORRECTIONAL CENTER
AND THE
SUSANVILLE FIRE DEPARTMENT

This agreement is made and entered into this day of by and between the California Department of Corrections and Rehabilitation (CDCR) High Desert State Prison and/or California Correctional Center, and the Susanville Fire Department.

I. Objectives

The primary objective of this MAA is to agree to share resources between the California Department of Corrections and Rehabilitation, High Desert State Prison and/or California Correctional Center and the Susanville Fire Department to prevent and combat the effect of disasters that may result from specific incidents, including but not limited to fire, flood, earthquake, war, sabotage, and riot.

Each of the parties hereto agree to voluntarily aid and assist each other in the event that a disaster / emergency should occur, by the interchange of services and facilities, including but not limited to fire, rescue, relief, and communications in order to respond to problems that arise from the disaster.

It is necessary and desirable that a cooperative agreement be executed for the interchange of such mutual aid on a local basis.

II. Response Plan

A. Response Area Specifics

The response area covered under the general guidelines of this agreement is not to exceed the boundaries within the Operational Area .

In the event resources are needed outside the local operational area, notification must be made to the responding party's Emergency Operations Coordinator to determine availability of requested resources.

B. Guidelines Governing Response

Upon request for mutual aid assistance, the responding fire service organization will send equipment, personnel, and other resources as available to the designated area within the Operational Area. The authority in charge of the assisting agency shall be the sole judge of how much assistance can be furnished under the circumstances of each particular case.

The parties hereto agree not to call for assistance unless it is an emergency where the requesting fire service organization's existing resources have been significantly reduced by emergency responses.

C. Resource Availability

In the event that resources are unavailable for response, notification shall be made to appropriate emergency operations centers and/or local agencies. Once resources are restored and available for response, notification shall be made to these same parties indicating resource availability.

D. Types of Responses Covered

Calls for public services, permit inspections, post-fire investigations, and responses that do not require immediate response by an emergency vehicle will not be part of this MAA.

The base premise of this agreement are that any specific resources requested for dispatch are available and in their assigned response area. If this is not the case at the time of the request, the resources dispatched by any agency will be the closest available resources.

E. Protective Clothing

It shall be the responsibility of the agency sending emergency personnel to ensure that such personnel are provided protective clothing and equipment as required by California Code of Regulations (CCR), Title 8, Article 10.1, Section 3401–3410.

F. Communications Capabilities

It shall be the responsibility of the agency sending requested resources to ensure that responding personnel and equipment have communications capability.

Interoperability is defined as a Very High Frequency (VHF) high-band radio programmed as recommended by all parties in this agreement and will be attached to this agreement.

In the event that interoperable communications are not available, it is preferred that the responding agency provide an Agency Representative (equipped with responding agency radio communications) to the Incident Commander to facilitate required communications.

G. Dispatch

Any dispatch of equipment and personnel pursuant to this agreement is subject to the following condition: Any request for mutual aid shall be written or verbal and include a statement of the requested resources and the location of the response.

H. Control of Resources

Responding mutual aid units will come under the direction of the Incident Commander of the emergency.

I. Release of Resources

The Incident Commander will determine when to release the resources of the responding agencies. The responding agency, however, may be recalled by its fire chief

or his/her designee, if in their opinion, a need exists for the responding party to render services within the agency's normal service area.

III. Civil Rights

The extension of benefits under the provisions of this agreement shall be without discrimination as to age, handicap, race, creed, sex, or national origin.

IV. Nondiscrimination

The parties to this agreement shall comply with all Federal statutes relating to nondiscrimination. These include but are not limited to:

a. Title VI, Civil Rights Act of 1964 (42 U.S.C. 2000d–2000d(6)
b. Title IX, Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1686), which prohibits discrimination on the basis of sex
c. Section 504, Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination on the basis of disabilities and provides for 'reasonable accommodation' in hiring of persons with disabilities
d. Older American Act of 1965, as amended (42 U.S.C. 3056 and 6101, et. seq.
e. USDA 9 AR, Title VI Implementation Regulations

V. Amendments

This agreement may only be amended by written mutual consent of the parties hereto.

VI. Termination

This agreement shall remain in full effect until revised or updated by all parties. It may be terminated by any of the parties hereto upon thirty (30) days notice, in writing, to all parties.

VII. Compensation

No party to this agreement will be required to pay any monetary compensation to any other party to this agreement for services rendered hereunder. The mutual advantage and protection afforded by this agreement are considered adequate compensation to all parties.

The party receiving aid will be responsible for providing supplies and material, such as gasoline, food, and water for on-site use of equipment and for personnel who are engaged in providing aid hereunder.

This agreement is intended to cover day-to-day mutual aid only, and shall not be in effect when the State of California, Master Mutual Aid Agreement becomes operative under a State of Emergency as declared by the Governor.

VIII. Indemnity

Each party, in consideration of this agreement to provide emergency assistance, does waive any and all claims against the other party for damages or compensation for any loss, damage, personal injury, death, or any other matter occurring as a consequence of performance under this agreement.

Each party shall defend, indemnify, and hold the other harmless for any losses, claims, awards, penalties, or injuries (including death) incurred by any third party, including reasonable attorneys fees, arising out of or occurring with any action of the indemnifying party, its directors, officers, employees, or agents in performance of the duties of this agreement.

The parties hereto agree that High Desert State Prison and/or California Correctional Center, its offenders, agents, employees and officers shall not be considered an employee or agent of the Local City/County Fire District in performance of this agreement. In addition, it is mutually agreed that High Desert State Prison and/or California Correctional Center and/or offenders will not be used to replace or be used in lieu of Local City/County Fire District employees.

It is recognized that the interests herein are mutual and the agreement is in the interests of the common good of the general public, CDCR, Susanville Fire Department, and the parties hereto, and for strictly government purposes.
